CONGRESSWOMAN LOIS CAPPS
HONORED AS DISTINGUISHED
ALUMNUS AT THE UNIVERSITY
OF CALIFORNIA, SANTA BARBARA

HON. SAM FARR

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 7, 2000

Mr. FARR of California. Mr. Speaker, I offer my congratulations to my very distinguished colleague, the Honorable LOIS CAPPS, on her recognition as the Distinguished Alumni Award recipient this year at the University of California, Santa Barbara. LOIS CAPPS represents a large Congressional district that includes Santa Barbara and San Luis Obispo Counties.

Lois received a Master's Degree from UCSB in 1990, at a time when the prospects ever serving in Congress would have seemed very remote. A loving wife of a University Professor, our beloved former colleague Walter Capps, and mother of three wonderful children, LOIS earned her Master's degree from the School of Education in early childhood behavior. This degree improved her skills and leadership as a nurse in the Santa Barbara School District, as an instructor in early childhood development at the Santa Barbara Community College, and as the Director of Santa Barbara County's Teenage Pregnancy and Parenting Project and the Parent and Child Enrichment Center.

The past ten years since she received her Master's Degree at UCSB have seen many changes in her life. LOIS has earned the respect of her constituents and her colleagues here in Congress with her hard work, dedication to the family and childhood issues that are so important to her, and strength in times of unfathomable tragedy.

As a member of the House, LOIS has served as a member of the Science and International Relations Committees before assuming her current position on the Commerce Committee,

where she serves on the Health and the Environment and Finance and Hazardous Material Subcommittees. LOIS has made her mark in legislation where she is a vigorous advocate for the Patient's Bill of Rights, Medicare reform, mental health, environment, high technology, and telecommunications issues.

LOIS' recognition by the UCSB Alumni Association is altogether appropriate. She was a member of the University community as a spouse, student, and now as a distinguished alumnus and Congressional representative. She loves the UCSB campus, and the campus community of faculty, administrators, and students return that affection many thousand-fold.

Mr. Speaker, we should all be proud of this recognition LOIS CAPPS has received in her district. She continues to bring distinction to our institution and our state, and is an inspiration to all whose lives she has touched.

HONORING THE 100TH ANNIVERSARY
OF THE GREATER FIRST
BAPTIST CHURCH

HON. BART GORDON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 7, 2000

Mr. GORDON. Mr. Speaker, today I recognize the 100th year of existence of the Greater First Baptist Church of Lewisburg, Tennessee. The congregation will celebrate the church's 100th anniversary on Sunday, June 25, 2000.

The church was first erected in 1900 as a one-room building heated with wood and coal. In 1959 the church underwent a much-needed expansion and renovation project under the guidance of the Rev. W.P. Johnson, who was called to pastor the church in September 1941. Johnson's son, the Rev. Herbert Johnson, took over as pastor of Greater First Baptist Church in September 1997. The elder Johnson now serves as the church's pastor emeritus.

The church has served its community and congregation well for an entire century, a time during which our nation struggled through much change and innovation. Through those many years, though, Greater First Baptist Church never faltered in its commitment to bring the Lord's word to the people.

Lewisburg is a much stronger community because of the work of the church and its congregation. I congratulate the congregation's perseverance and am sure the church will be just as strong during its next 100 years of service.

SECURITY INTERESTS IN
COPYRIGHTS FINANCING ACT

HON. GEORGE W. GEKAS

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 7, 2000

Mr. GEKAS. Mr. Speaker, this statement was to be included in the Congressional Record with the introduction of H.R. 4351, the "Security Interests in Copyrights Financing Act" which was introduced on the floor on May 2, 2000.

I was pleased to introduce the "Security Interests in Copyrights Financing Act" with the distinguished representative from Virginia, Mr. Boucher.

This simple bill is focusing on curing a major source of legal uncertainty regarding the ability of owners of valuable copyrights to leverage that value as a source of working capital. Resolving this in a timely manner is becoming very important, and should not wait on years of further court decisions—at the end of which Congressional clarification would probably still be required.

Intellectual Property (IP), including copyrights, is becoming an ever-larger portion of the Nation's total wealth, and new methodologies for objectively valuing these assets are coming into the marketplace. Once it can be valued in a standardized manner, IP can secure a loan as well as any tangible property.

At the same time, other trends make resolving this uncertainty a pressing issue.

First, most bankruptcy experts expect a coming wave of "dot-com" filings as some Internet related firms find that their business model is terminally flawed. The only valuable asset that most of these firms have is intellectual property, and it would be best for all parties in interest if the issue of whether or not
